# RESURGENCE

## Responsive Support for Dancers in Transition

*Dear friends,*

*Dancers urgently need help. As they continue to navigate through major setbacks initiated by the pandemic, DTRC has been well positioned to support individual dancers as it already has the appropriate programming in place to meet this need. **-We need to build the foundation of our core support to meet the additional demand!***

*We are experiencing a continued high level of demand as dancers look for solutions in the wake of the current crisis. In response, so far this year the DTRC has:*

- *Awarded over \$10,000 in Career Exploration Grants*
- *Awarded \$120,000 in Full Retraining Grants – an amount normally extended throughout the entire fiscal year – and we are only half way there!*
- *40 Skills Grants have been awarded totaling over \$12,000*

*With these figures in mind, our team is anticipating **double the amount of application intakes** again this second granting period. This phase could very possibly amount to **over \$125,000 in urgent assistance for dancers** in all stages of their careers.*

*Today we ask you to consider donating to the DTRC. Your contribution will help us sustain the upcoming surge of counselling services and professional training requests that we anticipate in the final quarter of fiscal year.*

*We need your support to continue building this resiliency in our members – and we know we can do it together!*

***\*IMPORTANT - Your gift will be matched by a long-time, major donor, up to \$40,000, DOUBLING YOUR IMPACT\****

*~ The DTRC Team*
